Dear Families,

We would like to provide you with some information on the use of our telephone system.

When you dial the school phone number (847-825-6366), your call will be answered by an auto-attendant. You will be given the following options in this order:

- If you know your party's extension, you may enter it at any time
- To reach our school directory, press the # key (once you enter the beginning letters of a last name, the phone system will automatically connect you to that person's extension)
- To leave a message on the attendance line, press 1
- For the homework hotline, press 2
- To speak to someone in the school office, press 0 (this option will connect you with either the EGC or the UGC office)

You may press the extension, #, 1, 2, or 0 at any time while the auto-attendant message is playing.
