Dear Parent/Guardian:

Many eighth-graders choose to attend "Shadow Days" at various high schools before making the decision as to which high school to attend. According to the Parent Handbook, requests to attend Shadow Days must be made in writing and submitted to the Assistant Principal at least three days prior to the visit. Also, since the student is not in attendance at St. Paul, he/she is considered absent and is responsible for missed homework, tests, quizzes, etc.

We have worked with the high schools to set up Shadow Days for our students. The enclosed packet contains the dates we have chosen for our St. Paul students to shadow at the different area high schools. The permission slip below will be used at St. Paul to indicate which shadow days your son/daughter will be attending, and the list will be given to the high school. Please inform the UGC office three days prior to the shadow date if your son/daughter will not be attending.

To help the school know how many students might be absent on a given day, please fill in the bottom of this sheet and return it to school. Signing this sheet does not mean your child is registered at a school that requires a parental call.

Thank you,

Ms. Kurowski
