Well Wishes...

On behalf of the St. Paul of the Cross School Benefit committee, we would like to invite your family to be part of this very important event. You can place a "Well Wishes" message in our Benefit Ad and Sponsor Book and on our www.spcbenefit.com website. This is a great way to recognize your loved ones - children, grandchildren, favorite athlete, cheerleader, scout troop, pep squad, alumni are a few examples.

St. Paul of the Cross School has provided a stable place for academic achievement and excellence. Your support will help to ensure that this commitment, to provide quality Catholic Education, continues for the students of our school. It is not necessary, but you can include a picture to personalize it even more.

Sincerely, St. Paul of the Cross School Benefit 2010
Ad and Sponsor Book Committee
