

January 7, 2010

## *SPC is the place to be . . .*

*Because students, faculty and staff welcomed the new year by blessing their classrooms as a reminder to welcome the stranger and the traveler during the coming year. 20 + C + M + B + 10*

This Thursday marks the beginning of our online Thursday envelope procedure. Information previously sent home via the blue or clear plastic envelopes will be available online only. The envelopes will still be used by teachers to send classroom information home if that was the established procedure. Please continue to return the envelopes to school as you have in the past. Families will receive electronic notification on Thursdays of the content available for viewing/downloading from the school's website. Until available electronically, materials such as Market Day order forms will be distributed in paper format. Limited paper copies of the items in the Thursday mailings will be available in the school offices.

For individuals, groups, or organizations wishing to have information included in the electronic take-home envelopes, the deadline for submission remains the same. Materials must be received by 8am on Tuesday of the week the information is to be made available.

Re-registration for current students begins **THURSDAY, JANUARY 7, 2010**. As we begin the planning process for the 2010-2011 school year, it is important for us to know the number of students who will be attending at each grade level for next year. Please download the form from the Thursday mailing section of the website, complete the necessary information, and return the form to school, along with the registration fee, as soon as possible. Registrations will be processed on a "first come, first served" basis. A limited number of paper registration forms will be available in the school offices.

Current families needing to register a new student (a child who has never attended SPC) should request a registration form from the EGC office. Registration for these new students will be on ***TUESDAY, FEBRUARY 9, 2010, from 8:30am-10:30am in the MPLC meeting rooms.***
