

March 4, 2010

SPC is the place to be . . .

Because our students are giving alms to our Lenten Project by doing service with their families

As stated before, the business community of Park Ridge is supportive and our school has a wonderful relationship with our partners. In large part this relationship has been based on students' and parents' actions and respect for others. We need to be reminded to always respect our neighbors at Ryan-Parke Funeral Home who allow parking **during drop-off and pick-up on school days** and to our friends at F & M Global who open their parking lot to SPC parents **after 5:00pm on school days and on weekends.**

"Respect for ourselves guides our morals; respect for others guides our manners."
Laurence Sterne

Thank you to parents of students in grades three through seven for preparing your students for the Terra Nova testing process by arriving to school on time and providing your child with a nutritional snack and lunch. It is important to be on time for school each and every school day. Arriving late to school is disruptive to the homeroom and/or classroom setting and can be distressing to the child.

Parent-Teacher Conference letters are going home in today's take home envelope. If the teacher is requesting a conference, please contact him/her via phone or email by Tuesday, March 9th, to schedule a time. Conference times on Thursday, March 18th are in 10 minute intervals from 12:30-3:30pm and will be held in the teacher's classroom. If you have not contacted your child's teacher by Tuesday, March 9th, to schedule a conference, the teacher will schedule one for you and notify you of the time. If the teacher has not requested a conference with you but you are requesting a conference with the teacher, please contact him/her AFTER Tuesday, March 9th, to schedule your time.
